Dear Sir:- At the request of many citizens of the country I write you in regard to the payment of the money due the Eastern Cherokees.

Is there an Injunction Suit filed against the payment, and in your opinion about when and in what manner will the payment be made?

Any information you may give will be greatly appreciated.

Respectfully,

J. H. I.

Sallie Bennett, after being first duly sworn, deposes  
and says:

I am 51 years of age; was born in Kentucky. I am  
a Cherokee Indian but not full blood. I got my Indian blood  
from both my mother and father. I have never gotten any  
Indian money from the Government. If my mother and father  
ever got any Indian money from the Government it was before they  
left North Carolina. They were both born in North Carolina.  
My father started to the Territory when they were giving the  
Indians out here and he was married then. I am not a Cherokee  
slave. I never tried to get an allotment. My father has no  
real Indian blood. His mother was half breed. I do not  
remember ever seeing my mother's parents. My mother was  
the Indian. It was not my grandfather. His father was a  
white man. Ten years before the war I lived in Kentucky.  
I have never gotten any payment from the Cherokees.  
My father could read and write but my mother could not. My mother  
was an Indian. When she was 15 years old she was called an Indian.  
My mother said she used to talk the Indian language but had  
not often it.

Miso.

Columbus A. Bell, after being first duly sworn,  
deposes and says:

I am 53 years of age; was born in Fannin County, Ga.; have spent my life in this neighborhood. I claim Cherokee Indian blood through my mother. Neither my brothers nor myself have ever received any Indian money from the government. My mother never received any Indian money that I know of. William Williams, my grandfather was the Indian. I have been taught of my Indian blood all my life by my mother. My mother was never enrolled that I know of. I have never heard her say if her father was enrolled. I think she lived in Macon County, N.C. when small. Went from there to Buncom County. She lived there until she was 18 years of age. I think she lived on Watauga Creek. Do not know my grandfather's occupation. He was called Col. Bill Williams. In 1882 my mother lived in Cherokee County, N.C., I think. She lived on Wolf Creek, about twenty-two miles from Murphy. Numbers 7884, 8853 and 4454, are my brothers and here with me now.

I do not know why they were not Enrolled probably it  
was through neglect or through fear

I know my mother always claimed she

J. M. Withrow, witness for Columbus A. Bell,  
after being first duly sworn, deposes and says:

I have known Columbus A. Bell about all his life. In my opinion he has Cherokee Indian blood. I lived close to his mother and Grandfather, William Williams, in Macon County, N.C. I am 77 years of age. There were Indians living in Macon County. I was about six years of age when they were taking the Indians away. Some of the Indians did not go. William Williams lived on Watauga Creek while I knew him. He was a farmer and a colonel of the North Carolina Militia. I do not know if he could talk Indian. He never talked to me of his Indian blood. I have heard people say that the Williams family were Indian. The old generation never denied it and neither do the young.

EASTERN CHEROKEES.

SUPPLEMENTAL APPLICATION

OF

Maryetta Oliver

FOR MINOR CHILDREN

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

EASTERN CHEROKEES.

IN RE APPLICATION of        )  
Maryetta Oliver.            |

In the matter of the above claim the facts will show that Maryetta Oliver is the daughter of Jeff Latta, a full blood Cherokee Indian who left the Cherokee Nation about the commencement of the War of 1861-5 for the purpose of evading service in the Confederate Army. That at the time he left there were many other Cherokees who left with him, some going to the Eastern States and some going into the other tribes as did Jeff Latta. Jeff Latta went into the Choctaw Nation and remained until after the war closed and then made application to the Cherokee Tribe for his share of the funds of the tribe at the time of the distribution of the same, and his application was denied for the reason that he had left the tribe and did not remain to enter the Southern Army as did a large number of the Cherokees. After he was denied his share of the tribal funds because of his loyalty to the Union, he returned to the Choctaw Nation and there married a Choctaw Indian, the mother of Maryetta Oliver. And the records of the Choctaw and Chickasaw Nation will show that he never participated in the distribution of any of the funds of the said tribes, and the records of the Cherokee Nation will show that he never participated in any of the funds of that tribe.

~~In witness whereof~~ That Jeffe Latta never went back to the Cherokee Nation to live for the reason that he was afraid of his life.

In WITNESS whereof I have hereunto set my hand this 18th., day of May, 1907.

Maryetta Oliver

Subscribed and sworn to before me this 18th., day of May 1907.

Sir:-

This Office acknowledges the receipt of your letter of October 26, 1906, inclosing the application of Mary E. Oliver for participation in the Eastern Cherokee fund.

Children whose parents are living should not file applications for participation in this fund, as only those whose names appear upon the rolls of 1851, or their legal representatives, will be entitled to share. If one or both of a minor's parents are dead, and those parents were enrolled as Eastern Cherokees in 1851, the guardian of such minor should file an application in its behalf.

Very respectfully,

Chief Clerk.

Dear sir: In Re Mary E. Oliver, #1666. Eastern Cherokee.

Mr. L.C. Oliver, husband of Mary E. Oliver has just presented to me your letter to Mary E. Oliver. date June 10, 1909, and which was mailed at Washington, July 12, 1909 and received here on July 15, 1909, in which you state that ~~his~~ application for participation in the Eastern Cherokee Claim was rejected on May 28, 1909, and that exceptions to the said order rejecting her claim should be filed not later than August 30, 1909.

In order to properly prepare the exceptions, it will be necessary that we have a copy of the order rejecting her claim so we may know the reasons for rejection, otherwise we will be unable to determine what reasons to advance to show that we ought not to have been rejected from the participation.

I shall be pleased to have you forward to me a copy of order rejecting the above claim No. 1666, Mary E. Oliver, and if and fees are due, upon advising me the amount, remittance will be made therefor.

Since making the former application, there have been two children born to the said Mary E. Oliver, and will thank you to forward to me a couple of blanks so that their claims may also be presented.

Sir:-

I made application to be enrolled as an Eastern Cherokee at the same time as others who have long since received cards with their numbers. I have received nothing. My father was Joseph Rogers and my children and grand children have received their numbers, but I have heard nothing. I appeared before your clerks when here, and they told me I was all right and I would be glad if you would look into this matter and kindly inform me of my status in the case.

Respectfully

Dear Sir:-

Referring to claim #1696, and supple-  
mental claim thereto.

You have approved all these claims ex-  
cept as to Brilla Burdette, and I shall appreciate it  
if you will advise just what will be necessary for her to  
do in order to file exception with the Court of Claims.

The instructions to applicant on the  
Supplemental Applications was that all minor children  
should be included, and in filling out this appli-  
cation Brilla Burdette, who ~~was~~ is a full sister of  
all Mrs. Perry's children, and at the time the appli-  
cation was filed she was not of age, I believe only  
about 18 or 19 years old, but was married to a man  
by the name of Burdette.

Was the error made in filing claim for  
her as a minor child, instead of her filing it for  
herself?

Will appreciate a prompt reply.

Very truly yours,

Sir:

Replying to your letter of recent date relative to the reason why Brilla Burdette was not enrolled with her mother and brothers and sisters, you are advised that as she was married prior to the filing of the application, and would not then be considered as a minor, she should have filed a separate application.

The matter is now out of my hands, but if she wishes to take any action in the case she will have to file exceptions to my report to the Court of Claims before August 30, 1909. The inclosed circular will furnish the necessary information for filing exceptions.

Very respectfully,

Sir. It is herewith enclosed, will find you with entirely satisfactory in reference to the Eastern Cherokee fund arising from the <sup>judgement</sup> Court of Claims or U.S. Supreme Court. Now, the Cherokee people, That is one of the distinct Nations has taken in a sorrowful position by decreasing in number while they were standing in the position of expectation to receive the money according to their share. Now, there are several prominent men from the different part of the Country have been furnished with their own <sup>personal</sup> identification that the Commission in Charge will insist upon their urgency, in recommendation that it be paid to the Eastern Cherokee as soon as possible. But it was reported by official Characteristic, that the government will take a step toward settlement with eastern Cherokees. I wish you to let me know concerning this doubtful Condition in case of the Eastern Cherokee.

I regret to say, however, that the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on by the Court and the roll finally approved by the Court no money can be paid.
